

FOOD CONTACT COMPLIANCE STATEMENT

Date: 01.10.2004 (*)

Product: **ERTALYTE® TX stock shapes**

To the best of our knowledge, we hereby give the compliance of **the raw materials** used at present by Quadrant Engineering Plastic Products for the manufacture of the stock shapes mentioned above, **with respect to their composition**, as set out in the regulations that apply in the European Union (EC), Germany (BfR) and the United States of America (FDA) for plastic materials used for the fabrication of finished articles intended to come into contact with foodstuffs:

- the composition complies with the requirements of the European Directive 2002/72/EC,
 - the composition complies with the requirements of the Recommendations XVII. "Poly(terephthalic acid diol esters)", IX. "Colorants for Plastics and other Polymers Used in Commodities" and LII. "Fillers for Commodities made of Plastic" of the German Federal Institute for Risk Assessment [*Empfehlungen XVII. „Polyterephthalsäurediolester“, IX. „Farbmittel zum Einfärben von Kunststoffen und anderen Polymeren für Bedarfsgegenstände“ & LII. „Füllstoffe für Bedarfsgegenstände aus Kunststoffen“ des Deutschen Bundesinstituts für Risikobewertung (BfR)*],
 - the composition complies with the requirements of the FDA regulations 21 CFR 177.1630 "Polyethylene phthalate polymers", 21 CFR 178.3297 "Colorants for polymers", and other relevant ones.
-

(*) This statement expires after 12 months or in case of regulatory changes. Please ask for a new statement if needed.
